

Spring

Level 1 – Complete 4 of these

- Listen to raindrops on an umbrella
- Plant some flower seeds
- Chase your shadow
- Build a shelter for a tiny creature
- Visit a farm and see the new animals and birds
- Go on a blossom trail

Level 2 - Complete 4 of these

- Have a walk in the rain and jump across puddles while you are out
- Make a wool ball and hang it outside to help the birds line their nests
- Plant some vegetable seeds and grow them
- Go pond dipping and find some tadpoles
- Find signs of caterpillars such as eaten leaves
- On a walk see how many different textures you can
- Go out and search for the first signs of spring and take some photographs
- Go on a bluebell walk

Level 3 - Complete 4 of these

- Make a bird box and arrange to erect it in a suitable area
- Find caterpillar or moth eggs on the undersides of leaves
- Make a mini beast hotel
- Make a journey stick as you go on a walk
- Look for and identify animal tracks in the mud
- Make a kite, find an open area and fly your kite
