Tuesday 26th November 2024

Dear Parents,

We are about to launch our exciting new project to make our playtimes even better, in conjunction with Outdoor Play and Learning (OPAL) CIC. In 2018, OPAL won the best active schools' programme in Europe award and has been cited in two parliamentary reports as delivering outstanding practice. OPAL is working closely with Sport England to promote more active childhoods, which is one of the many reasons we are improving our playtime, as well as to improve opportunities for socialisation, cooperation, coordination, resilience, creativity, imagination and enjoyment for your child.

We strongly believe that: **“Play is freely chosen, personally directed, intrinsically motivated behaviour that actively engages the child. Play can be fun or serious. Through play children explore social, material and imaginary worlds and their relationship with them, elaborating all the while a flexible range of responses to the challenges they encounter. By playing, children learn and develop as individuals, and as members of the community.”** (Children’s Play Council 2001).

The project will start in 2025 and our hopes are that it will change the way we think and how we play together. To facilitate this project, we will need to buy some new resources, move some things around on the playground and require some loose parts. Loose parts are any materials that can be easily moved, combined, and incorporated into children's free play. The items we are looking for will enable us to enjoy a wider range of play experiences during playtime (see below for some examples):

- Hats/scarves/jazzy shirts/elasticated skirts/waistcoats/wedding dresses/character costumes
- Large pieces of fabric
- Small world animals, e.g. dinosaurs, wild animals
- Old bikes or scooters
- Kitchen pots, pans, baking trays, wooden spoons, chopping boards
- Tools like small spades/shovels, trowels and brooms
- Plastic buckets

We will be holding a collection week beginning **Monday 2nd December**. The sooner we do this, the sooner the children will be able to play with the items! Please do not bring your donations in before this date as we will have nowhere to store them.

There will be more information to follow at a parent's session later next year when you will be invited to come and play with your children. We are really excited about this project and hope that you will support us in our efforts to improve playtime for all children.

Yours sincerely,

Mrs Barclay
Curricular Lead for Play
